

Art1st Books

Indian art is as diverse and compelling as its culture. Our books are a colourful and fun introduction to India's modern and contemporary art. Children become familiar with eminent artists, their inspirations and events that influenced their styles. We simplify concepts, leading children to becoming familiar with these artists in an engaging way.

Arts Integrated Series

A sandbox for young learners to look at a variety of subjects like History, Mathematics, Language, Geography and Activism through works of Indian Art.
